

Strategic Plan

Order of Nurses in Lebanon

Vision

Achieve distinction in the practice of the nursing profession in four disciplines: practice, teaching, research and management

Message

Play a leader role in the protection and development of the nursing profession in order to protect the health of the individual and of the society in Lebanon and in the region.

Orientations stratégiques

- Reinforce the role of the nursing Order in Lebanon.
 - Strengthen the capacities of nurses in order to apply quality standards in the exercise of the profession.
 - Secure a database relative to the profession in Lebanon and see to its development.
 - Strengthen cooperation and strategic coalitions both locally and internationally.
-
