

Under the Patronage of President of Beirut Arab University Professor Amr Galal El Adawi
 In collaboration with the
 School of Nursing at Johns Hopkins University & the Order of Nurses in Lebanon
 The Faculty of Health Sciences
 Cordially invites you to attend

THE 1ST BAU INTERNATIONAL NURSING CONFERENCE

HIGH FIDELITY SIMULATION IN NURSING EDUCATION & PRACTICE

TUESDAY, MARCH 26TH 2019 - Jamal Abdul Nasser Hall - Beirut Campus

Online Registration before March 26th

5 CNEs will be granted

For more information contact: 961 1 300110 Ext 2305-2871

*Translation is available

CONFERENCE PROGRAM

Evolution of Concepts of Simulation

Chair:	Dr. Nancy Sullivan
Moderator:	Dr. Hiba Deek
8:30 - 8:45	Prof. Rajaa Fakhoury Welcome
8:45 - 9:15	Dr. Nancy Sullivan The Past, Present and Future of Simulation in Nursing Education
9:15 - 9:45	Dr. Salah Malas Features and Uses of High-Fidelity Medical Simulations That Lead to Effective Learning
9:45 - 10:15	Dr. Ahmad Tassi Integrating High Fidelity Human Patient Simulation in Clinical Training and Practice
10:15 - 10:30	Discussion
10:30 - 11:00	Coffee Break

Adoption of Simulation in Research and Education

Chair:	Dr. Rana Najjar
Moderator:	Dr. Ahmad Tassi
11:00 - 12:00	Dr. Nancy Sullivan The Science of Simulation in Nursing Education: The NCSBN Study and Beyond
12:00 - 12:30	Dr. Rana Najjar Factors Impacting Student Learning within Simulation and OSCEs
12:30 - 1:00	Dr. Kari B. Olsen Gaining Non-Technical Skills (NTS) During High-Fidelity Simulation in Education
1:00 - 1:30	Mr. Ibrahim Kadamani Simulation in Interprofessional Education (IPE) – BAU Experience
1:30 - 1:45	Discussion
1:45 - 2:45	Lunch

WORKSHOPS 3:00 - 4:00

- Dr. Nancy Sullivan
The Choreography of the First Few Minutes (FFM) of an In-Hospital Cardiac Arrest
Hariri Building, 5th flr. Nursing Simulation lab.
- Dr Ahmad Tassi, Dr Hala Ahmadieh
& Mr. Anwar Issa
L & D Code Blue
Hariri Building, 3rd flr. Clinical Simulation Center
- Dr. Mirna Fawaz, Dr. Salah Malas
& Mr. Marwan ALSheikha
Preeclampsia in the Delivery Suite: A Simulation Scenario
Hariri Building, 3rd flr. Clinical Simulation Center
- Dr. Rana Najjar
Utilizing Best Practices in Developing Simulation & OSCEs
Main Building, B1 Seminar Room I
- Mr. Ibrahim Kadamani & Mr. Mohamad Itani
Moulage in Simulation
Main Building, B1 Seminar Room II
