4th Annual Scientific Congress

Welcome note

President

Nisrine BAZARBACHI, MD

Co-president

Nabil MOHSEN, MD, FAAN

Dear friends and colleagues,

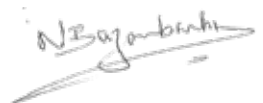

On behalf of the scientific and organizing committees of Haykel hospital, it gives me great pleasure to invite you to the 4th Annual Haykel Hospital Scientific Congress. This congress will be held on 29 - 31 August 2019 at Safadi Cultural Center, Tripoli. For the fourth year, more than 10 international and 35 local speakers will be proudly presenting latest updates in many disciplines including Infection Control, Patient Safety, Hematology - Oncology, Neurology, Neuro - Vascular, Neuro - Imaging, Pediatrics, Fetal medicine and Gynecology and many other sub specialties.

This year, the congress coincides with the celebration of the 50th anniversary of Haykel Hospital, which makes

the whole event very special to all Haykel team, and an opportunity to share with you our joy, pride and renew our commitment of professionalism and safe health care.

Looking forward to seeing you all in Tripoli, sharing with us your expertise and contributing in the success of our upcoming scientific event.

Nisrine Bazarbachi, MD
