

Dive into the Future of Healthcare:
AI In Health Primer Training

Are you ready to delve deeper into the transformative power of AI in healthcare? ZAKA and HEALTECH are back with an exclusive opportunity for you to participate in our AI in Health Primer Full Day Training.

31 Date: **Saturday, April 20, 2024**
🕒 Time: **9:00 AM - 5:00 PM Beirut Time (Online)**

In an era where innovation is revolutionizing every aspect of our lives, the fusion of AI and healthcare stands out as a catalyst for advancement and improvement. As pioneers in this field, we're excited to offer you a comprehensive exploration of AI's profound impact on the future of healthcare.

This immersive training isn't just about learning; it's about equipping yourself with the tools and insights necessary to lead the charge in transforming healthcare delivery, patient outcomes, and medical research. With expert-led sessions, hands-on workshops, and interactive discussions, you'll gain a holistic understanding of AI's role in reshaping the healthcare landscape.

But why is this training essential? The answer lies in the potential to save lives, enhance diagnostic accuracy, optimize treatment plans, and personalize patient care like never before.
