The International Society of Nurses in Cancer Care (ISNCC) is pleased to announce the 2018 International Conference on Cancer Nursing (ICCN 2018) from Sunday 23 September to Wednesday 26 September 2018 at the SKYCITY Auckland Convention Centre, Auckland, NZ.

ICCN is the world's premiere meeting for leaders, and future leaders, in cancer nursing research and practice. Our conference provides you with the opportunity to engage with leaders in cancer nursing from around the globe and to participate in the conversations that will shape cancer nursing research and translate evidence-based cancer nursing education, practice and research into patient-centered care.

All of this will be offered in style in Auckland, New Zealand, where you will share lively, innovative discussions with new and existing friends and colleagues.

We look forward to seeing you here!
