

Advanced Nurses/Nurse Practitioners Bridging the gap:

Main characters in futuristic healthcare by collaborative leadership

Invitation

Learn, share, connect and make together the next step in developing advanced nursing worldwide for better and safer healthcare at the largest NP/APN World Conference ever.

This international gathering of 1500 nurse practitioners and advanced practice nurses will explore nurses’ leading role in the transformation of care, with a particular focus on universal health coverage, the Sustainable Development Goals and human resources for health. The conference offers:

- 17 outstanding keynotes
- more than 450 concurrent sessions
- 15 extra clinical workshops
- 1500 participants from over 50 countries
- inspiring and educational site visits
- newest e-health technical developments at the Dutch Innovation Plaza
- welcome reception and network dinner
- coffee/tea at all breaks and lunches included

WITH APPROVAL OF AND IN COLLABORATION WITH

Approval for awarding International Continuing Nursing Education Credits (ICNECs) is currently being sought from the International Council of Nurses. Certificate of participation will be sent to international delegates by email after the conference. For Dutch participants: accreditation will be applied for at Kwaliteitsregister V&VN and Verpleegkundig Specialisten Register.

The expected number of accreditation points will be 20.
