The Clinical and Professional Development Center [CPDC] in collaboration with the Continuing Medical Education [CME] Office and the Naef K. Basile Cancer Institute [NKBCI] at the American University of Beirut Medical Center [AUBMC]

present

The 11th Annual Beirut Breast Cancer Conference – Nursing Symposium

Date: February 11, 2023

Location: American University of Beirut Medical Center

General Information:

Program Overview

The Eleventh Beirut Breast Cancer Conference, Nursing Symposium, tackles several areas pertinent to nurses working with patients with breast cancer. This educational activity spans the difficulties experienced by young patients with breast cancer, including issues related to fertility and pregnancy, and delves into the fear of cancer recurrence. New updates on HER2 low status will be presented, and how this has changed the treatment plans for patients with low expressions of HER2. We will also explore the concept of Chemo-brain, a topic that is often pushed to the sidelines, as well as lymphedema.

Date and Location

This program will be held on Saturday, February 11th, 2023, and at the Academic and Clinical Center (ACC) at the AUBMC.

Target Audience

Adult Oncology Registered Nurses, & other nursing professionals interested to attend.

Language

English language will be used at all times.

11TH ANNUAL BEIRUT BREAST CANCER CONFERENCE

FEBRUARY 10 - 11, 2023 | Beirut, Lebanon

NURSING SYMPOSIUM | SATURDAY, FEBRUARY 11, 2023

Learning Outcomes

The Nursing Symposium aims to enhance the knowledge of its nursing attendees with regards to issues facing young patients with breast cancer, including fertility, and pregnancy, as well as lymphedema and chemo-brain, both of which are more common than expected. Nurses will also explore the very common fear of cancer recurrence. Finally, nurses will advance their scientific knowledge with regards to HER2 low positive status and the recommended treatments. Their knowledge acquisition shall be self-reported by completing a survey using a 4-point Likert scale.

Teaching Methodology

- PowerPoint Presentations
- Case discussion

Requirements for Successful Completion of the Program

- Attend the whole sessions included in the program outline.
- Complete the online "Educational Activity Evaluation Survey"

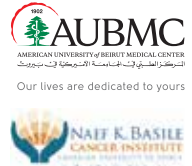

Contact Hours

Participants who attend the whole program will be awarded 2. contact hours by the CPDC, which is the entity responsible to ensure adherence to the American Nurses Credentialing Center's (ANCC) criteria.

The planning committee and the presenter(s) declare that no relevant financial relationships exist for anyone involved in the planning of this educational activity.
