In Collaboration with:

WELCOME

Dear Colleagues and Friends,

The Psychology Unit at Notre Dame Des Secours University Hospital (CHU-NDS) in collaboration with the French Society of Psycho-oncology and the Hematology Oncology Department, Neurology Department and the Psychiatry Department at CHU-NDS, has the pleasure to announce the:

Patient Assistance & Care Excellence Congress (PACE 2019) "Palliative Care"

"PACE 2019" will highlight the importance of palliative care in patients with life threatening diseases such as cancer and multiple sclerosis. It will focus on the holistic care that should be given by a multidisciplinary team to the patients and their families including physical, emotional, social and spiritual care.

Dr Sarah Dauchy, *President of the French Society of Psycho-Oncology, from Gustave Roussy*, **Dr Françoise Ellien** *from the French Society of Psycho-oncology* and distinguished speakers will facilitate the discussions. It will include five specialized workshops, tailor-made to answer the palliative care multidisciplinary team's needs.

Therefore, we strongly encourage all palliative care experts and healthcare professionals (physicians, nurses, psychologists...) to take part of these workshops for a one of a kind interactive learning experience.

Looking forward to welcome you all to this highly enriching event!

Dr. Toni SAWMA

Head of the Psychology Unit

Dr. Marcel MASSOUD

Head of the Hematology Oncology Department

Dr. Hanna MATTAR

Head of the Neurology Department

Dr. Michel SOUFIA

Head of the Psychiatry Department
