# WELCOME

Dear Colleagues and Friends,

The Psychology Unit at Notre Dame Des Secours University Hospital (CHU-NDS) in collaboration with the French Society of Psycho-Oncology and the Pediatric Department, the Psychiatry Department and the Oncology Department at CHU-NDS, has the pleasure to announce the:

## **Patient Assistance & Care Excellence Congress 2018 (PACE 2018)**

### **“The Core of Oncology Management: from Kids to Adults”**

“**PACE 2018**” will highlight the importance of a multidisciplinary team in the management of oncology patients and will address this topic in adults as well as pediatric patients. Dr Sarah Dauchy, President of the French Society of Psycho-Oncology, from Gustave Roussy, Dr Françoise Ellien from the French Society of Psycho-oncology and distinguished speakers will facilitate the discussions. It will include three specialized workshops, tailor-made to answer the oncology multidisciplinary team's needs

Therefore, we strongly encourage all oncology experts and healthcare professionals (physicians, nurses, psychologists...) to take part of these workshops for a one of a kind interactive learning experience.

Looking forward to welcome you all to this highly enriching event!!
