

As part of the School Snacks and Nutrition Education Program, United Nations World Food Programme (UNWFP) is organizing summer day camps for Lebanese and Syrian students aged 11 to 14 years old, attending public schools, in order to raise awareness on nutrition and child health through interactive sessions and activities. A total of 20-22 camps will be held across Lebanon (North Lebanon, Bekaa, south and Mount Lebanon) for 15 working days each, over the months of July, August and September from 9:00 AM to 1:30 PM as follows:

- 1 July till 19 July (excluding weekends)
- 22 July till 9 August (excluding weekends)
- 19 August till 6 September (excluding weekends)

To implement the summer day camps, WFP is seeking nurses to conduct interactive sessions on child and adolescent health. Each nurse is requested to attend 4-5 days per camp (option of attending more than one camp, if possible). The recruited nurses will be instructed on the content that will be administered to students attending the camp.

Essential duties and responsibilities:

- Prepare the activities of the sessions in coordination with WFP
- Provide 4 to 5 daily sessions on child and adolescent health to students
- Report on any challenges faced and successes achieved during the sessions
- Other relevant duties if necessary

Payment: \$35/ Day (From 9:00 AM to 1:30 PM)
