

WE ARE
HIRING
JOIN THE SGMC TEAM

We are looking for a dedicated **Registered Nurse**:

Key Responsibilities:

- ➔ Provide safe care while guiding patients and families toward better recovery
- ➔ Assess, plan, and monitor patient care
- ➔ Collaborate with physicians & multidisciplinary teams
- ➔ Maintain accurate medical records and uphold infection-control standards
- ➔ Support emergencies, oversee staff, and enhance care quality

Requirements:

- ➔ Bachelor's degree in Nursing (BSN) from an accredited university
- ➔ 1-2 years of clinical experience preferred
- ➔ Must have Nursing Colloquium, MOPH nursing license, and Order of Nurses registration
- ➔ Experience in ICU, ER, OR, or other specialty units is a plus

To apply, send your CV to: hr@sgmc.com.lb
